An overview of how we operate.

We combine the shipping volumes of all of our customers across the UK, therefore, we can offer discounted rates as above than normally reserved for high volume shippers. Our carrier partners like **DHL, FedEx, UPS, TNT, UKMail** pick up and deliver your parcels, whilst we provide you with extra mile local customer service and multiple carrier options, all at discounted rates with **no set up fees, no contract and no minimum invoice value.**

We supply free of cost Printing Machine, Labels and Bags – S, M, L, XL mailing Bags

- **24hr / 48hr** UK Parcel delivery services.
- **International Courier** Exports/ Imports both economy and express, Door to Door (not consolidated)
- **Air and sea freight** - Imports and Exports
- **24hr / 48hr** UK pallet deliveries
- **Same Day** courier services - a bike to a 7.5t lorry!
- **National and International Pallet** deliveries, both import and export.
- **eBay, Amazon** and most ecommerce platform able to Integrate with our award winning Booking portal '**WebShip**'.
- We help companies by **reducing your monthly shipping spend** through our global buying power.
- **Custom clearance** help working with our agents at Ports & airports UK and internationally.

Our **online portal** is very easy to use and quick to setup.

We would be more than happy to demonstrate and setup all procedures for your shipping department saving you time and money and last but not least we strive on customer service.

I look forward to hearing from you.

Yours sincerely,

Furkan
